

Cape Town travel attractions and safaris at your fingertips ..

This **personalised** Cape Town travel information guide provides all you're looking for.. and more!

It's been my **pleasure** to set up this site in order to introduce **you** the traveller on holiday, vacation or business, to my home town.. one of the most fascinating and vibrant cities on the African continent!

Want some **inside** information? Download my ebook [Introduction to Cape Town](#)

I've filled these pages with useful advice, details and tips about interesting **attractions**, selected accommodation and holiday ideas, **plus** information about [Guided Tours](#) and [Cape Town Safaris](#). And, if that's not enough, I also provide you with descriptions of our [beaches](#), Mountains and Winelands, business essentials and lots more besides!

In Cape Town you'll find our well loved attractions like [Table Mountain](#), [Kirstenbosch Gardens](#) and the V&A [Waterfront](#). Cape Town is also the gateway to the beautiful [Cape Winelands](#).

Here's a page featuring a **map** of the Cape Peninsula as well as useful descriptions of comprehensive holiday guide books: [Cape Peninsula Map & Holiday Guides](#)

Experience Cape Town's lifestyle

The only way to understand and **enjoy** Cape Town South Africa is to experience our unique range of multicultural lifestyles and scenic natural surroundings for yourself. If you're a lover of history, fun and nature, then there's just so much here in the Cape for you to appreciate.

You'll find **plenty** to see and do in Cape Town. Just to give you a taste to start with, here's a range of images: [Pictures of Cape Town](#)

Want to upload **your own** Cape Town travel pictures and articles to this website for others to enjoy? You'll receive full credit on this site. Go here: [Your experience of Cape Town](#)

I'd really welcome your feedback!

Did you find what you wanted? Tell me what you think of this site or what you'd like to see. I welcome your **comments** or questions about my Cape Town travel guide. Please leave them here: [My contact page](#)
